# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

I am delighted on behalf of City Council and the residents of New Westminster to extend warm greetings and best wishes to participants of the 2022 Connect Hearing BC Masters Curling Championships, to be held on March 8 - 13, 2022 at Royal City Curling Club.

As a city, we recognize the importance of encouraging and maintaining a healthy lifestyle and involvement in organized sport and activities. We are so pleased to have Masters level curling for those age 60+ right here in New Westminster this March. As a curler myself, it's wonderful to see tournaments back after a long break due to the pandemic.

Royal City Curling Club is one of the largest member-owned clubs in the lower mainland. Special thanks to all of the organizers, volunteers and athletes that make not only this tournament but also the Royal City Curling Club such a great success.

I hope the 2022 Connect Hearing BC Masters Curling Championship provides everyone with good fun and keen competition. Best of luck to all the teams entered. May you take home fond memories from your experience here in the City of New Westminster.

On behalf of the Board of Directors and Club Staff, it is my pleasure to welcome you to the 2022 Connect Hearing BC Master's Provincials. Royal City has maintained a long tradition of partnering with CurlIBC to host another Championship event. Despite the challenges brought on by the Covid-19 pandemic, it is extremely important to continue to support Championship sport; so, congratulations to all of you for your participation!

In addition to the curlers, I must thank the host committee, volunteers, staff, and sponsors for your dedication in making this event possible. There is no question that many Royal City members and the community came together to see this event through. Thank you all for your contributions in making a great event.

Royal City is known for great ice lead by our head ice maker Ken Mcardle, and his crew. I am confident Ken's team will deliver this week, and I cannot wait to see some fantastic curling!

In summary, the Covid-19 restrictions may see your Championship look a little bit different than normal, but whether it's live streaming or following line scores I look forward to seeing some great curling. Good luck and good curling!

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

# WELCOME

On behalf of Curl BC, thank you for supporting the 2022 BC Masters Curling Championships.

We are so thrilled to be holding this event in New Westminister, and we are looking forward to seeing some great curling from athletes representing all 8 zones of the province. Good Curling to all competitors!

The host committee, led by Marnie Jepsen and Nancy Stagg, with the assistance of Royal City Curling Club manager Mike Munsie, and Royal City board liaison Harm Woldring have done an outstanding job preparing for this event over the past several months. We are also grateful for chief ice technician Ken McCardle, chief umpire Patti Caldwell, and all the volunteers for the time they have dedicated to making the championships a success.

I'd like to thank our title sponsor, Connect Hearing, as well as all the other sponsors and supporting organizations who have helped to make this event possible. I would also like to express our gratitude to the City of New Westminister, as well as the Government of British Columbia and our partners at viaSport, for their ongoing support of this event.

This championship is sure to be full of exceptional curling and exciting competition. And who could ask for a better host than the Royal City, the ancestral lands of the Halkomelem speaking Peoples. Curl BC's mantra is Our House is Your House; we honour and respect the people and the communities that have invited us to hold this event here in New Westminister.

Good luck and good curling!

# WELCOME

On behalf of the Government of British Columbia, it is a pleasure to welcome you to the 2022 Connect Hearing BC Master Curling Championships. I know the Royal City Curling Club is thrilled to host this event and I join them in welcoming players from across the province to the City of New Westminster.

This year's event has particular significance as it has been almost two years since an event of this magnitude has been held. I want to applaud the organizers, volunteers, coaches, and players for finding ways to play safely while we navigate this wave of the pandemic.

Over the last two years we have become increasingly aware of the importance of physical activity in maintaining our physical and mental health. And we've missed each other! The curling community connects people to each other, while engaging in sport.

I commend you for your dedication and hard work and wish you good luck as you compete to represent BC at the Canadian National Masters Championships.

Please accept my best wishes for a successful event.

I am delighted on behalf of City Council and the residents of New Westminster to extend warm greetings and best wishes to participants of the 2022 Connect Hearing BC Masters Curling Championships, to be held on March 8 - 13, 2022 at Royal City Curling Club.

As a city, we recognize the importance of encouraging and maintaining a healthy lifestyle and involvement in organized sport and activities. As a curler myself, it's wonderful to see tournaments back after a long break due to the pandemic.

Royal City Curling Club is one of the largest member-owned clubs in the lower mainland. Special thanks to all of the organizers, volunteers and athletes that make not only this tournament but also the Royal City Curling Club such a great success.

I hope the 2022 Connect Hearing BC Masters Curling Championship provides everyone with good fun and keen competition. Best of luck to all the teams entered. May you take home fond memories from your experience here in the City of New Westminster.
